CAT SITTER

Long time cat loving Roosevelt Island resident (with two cats of my own) will lovingly care for your cat(s) while you travel. I spend 30 minutes per visit with your cat—**providing food and the attention, affection, and playtime your pet misses while you are away.** I am happy to send you emails or text messages to let you know how your cat is doing while you are gone. I can also pick up your mail and water plants. Have peace of mind on your next trip knowing your cat is lovingly cared for.

References available from my many wonderful clients.
